### BAY HIGH TIGERS TO MEET SLIDELL ELEVEN, SEPT. 5TH.

### COUNTY SIGNUP FOR 1959 SOIL BANK IS NOW OPEN

**Bay High** Tigers will meet the Slidell Tigers on the home field of the Slidell eleven, Friday night, September 5, at 8:00 p.m. This game marks the opening tilt of the season for each squad. On Friday of the following week, September 12, the Bay High boys will face the Pass Christian Pirates. This game will be the first home game for the local high school's team, coached by Lance Lumpkin.

Superintendent Joe D. McCullough has announced that season tickets to all home games are now on sale in the Bay High Athletic Department. Information may be obtained by calling the Athletic Department, HO-7-5990 or 7-6821, the superintendent's office.

The first step in the sign up is for the farmer who is interested in the program to come to the county office and request that annual rental payment rates be established for his farm.

At the same time, the farmer should bring with him information to be used by the ASC county committee in establishing rates for his farm.

The chief facts needed, Chairman Lee said, are acreage and yields of the three principal crops on the farm for the past two years and acreage for other land use on the farm.

The conservation reserve is the only soil bank program available for 1959. Under the program, farmers retire land from general crops for up to 10 years and devote the reserved acreage to land, water, or wildlife conservation practices. The Government makes an annual rental payment for the land and will also share in the cost of establishing the conservation practices.

The average rental payment rate for conservation reserve land in Hancock County in the 1958 program is \$12.00 per acre per year.

Maximum payment rates will be higher for the most productive farms and lower for less productive farms.

For farmers who request it, the county committee will figure two sets of maximum annual rates. Chairman Lee said. One will apply if only part of the eligible acreage on a farm is placed in the reserve. Another rate, 10 percent higher will be available if all eligible land on a farm is put in the reserve for at least five years.

After maximum rates have been

terminated for a farm, the farm

will have two weeks in which to decide on participation, designate land for the reserve, and apply for a contract. Land may be offered at less than the established maximum to increase the chance of acceptance in case there are insufficient funds to cover all offers.

The sign up phase of the program closes October 3, and all requests for establishing farm rates must be received by that date, Chairman Lee said. The deadline for applying contracts is October 24, 1958.

**Bay Central PTA To Meet Next Tuesday**

The Bay Central School PTA will hold its meeting Tuesday, September 9, at 8 p.m. in the school auditorium; prior to this meeting of the executive committee and chairmen will be held at 7:30.

Reports on fishing seem to be the same, a few fish are being caught, but none to brag about. The same applies to both fresh and salt water fish. With cooler weather fishing will probably improve.

Mr. and Mrs. R. Staughan of Loranger, La., went out from Kellogg's Camp on their boat Saturday and reported catching a few species.

Fritz Peranich reports that the waters in the DeLisle section are clearing fast and fishing should get better right along.

Joseph Plumkett and son, Michael, Albert Blanchard, Dominic Scalfi caught 2 jackfish about 24 lbs. each, one day last week.

Most of the fishing camps had a big weekend with Labor Day visitors in large numbers enjoying fishing and crabbing.

Joe Glover and Luke Elliott gave us some information on Millato Bayou and the water there. They said the water was fairly good and clearing fast. A few fresh water fish were caught. The same applies to Bayou Cow.

According to Sam Whitfield Pearl River itself is also clearing and should be O. K. by the end of the week. Sam is an ardent fisherman and Pearl River is his favorite fishing place.

Ed Breland reported catching some green trout and perch up at Pearl River over the weekend.

among local fishermen who were too busy at the REA annual picnic Labor Day out at the R. A. Schivire Old Route Farm to do any fishing were Teddy Stechmann, Bob Gemini and son, T. P. Morris, Bill Watta, H. H. Shatuck and of course others.

Good to see Wop Glover over Monday. Wop says he doesn't have time to fish and take care of his riding horse too. Wop comes over whenever possible to ride and visit his mother and brother Day.

Pete Quintini and Mitch Mitchell report catching some nice species in out-of-bounds waters over the weekend. Don't know just how many they caught.

Our old fishing partner, Eddie Heath was after fresh water fish over the weekend. How were they doing, Eddie?

Stanley Prusak of Houston, Tex., and G. McDonald, Jr. enjoyed some golf during the holiday. Stan is a frequent visitor and loves the golf and sailing here.

Walter J. Lee of Prentiss, Miss., spent a couple of days here. Walter said he was too busy visiting his mother and friends to do any fishing on this trip.

Sam Christian Inter. Golf Club is all primed up for the Ladies Golf Tournament to take place here this month. More on this later.

Sincerely your friend,

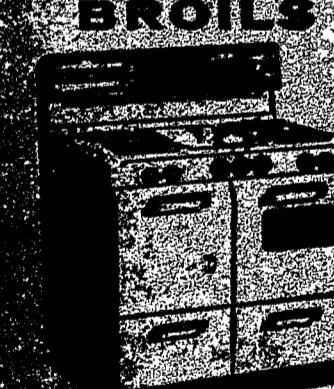

CORNELIUS J. LADNER
